BAR EXAM DATES: February 24 and 25, 2015

EDUCATION

Satisfactory completion of all requirements for a Juris Doctor degree from an American Bar Association accredited law school.

FEE FOR EXAMINATION

The fee must be paid in the form of a single money order of cashier's check payable to the Clerk of the Supreme Court in the amount of $500.00. The payment should be attached to the front of the questionnaire. Please note that a personal check, business check or cash will not be accepted. The fee is nonrefundable and is also non-transferrable.

EXAMINATION AND PASS/FAIL DETERMINATION

The answers to each MEE essay question and each MPT question will be graded on a scale ranging from 65 through 85. This score shall be designated as the applicant's "raw" score on a question. The raw score on each MPT question will be multiplied by 1.5. The resulting products from the MPT questions will be added to the sum of the raw scores from the essay questions to yield a "total written raw" score.

The distribution of the total written raw scores acquired by applicants on a given examination will be converted to a score distribution that has the same mean and standard deviation as those same applicants' MBE scale scores on that examination. The score on this converted scale that corresponds to the applicant's total written raw score shall be designated as the applicant's "written scale" score. An applicant's total examination score shall be determined by the following formula: **Total Score = written scale score + MBE scale score.** An applicant shall pass the examination if he or she earns a total score of **270** points or higher.

MULTISTATE PROFESSIONAL RESPONSIBILITY EXAMINATION - MPRE

As a prerequisite to admission to the Bar of Arkansas, all applicants must successfully complete the Multistate Professional Responsibility Examination (MPRE). See question 13 of the character questionnaire. It is the applicant's responsibility to arrange transfer of MPRE scores to this jurisdiction.

RETENTION OR TRANSFER OF SCORES

A bar examination applicant may retain from the immediately preceding Arkansas Bar Examination the applicant's Multistate Bar Examination scale score of 135 or more. An applicant may transfer from another jurisdiction a Multistate Bar Examination scale score of 135 or more for use in the immediately succeeding Arkansas examination only. It is the applicant's responsibility to arrange the transfer of a score and to notify the Executive Secretary of the decision to retain such score.

The determination of the eligibility of every such applicant shall be made by the Board and the burden of establishing eligibility shall be on the applicant."

Such additional inquiries will be as limited in scope as possible, and will likewise remain confidential to the extent possible.

Applicants with a history of mental or emotional infirmity or history of substance or alcohol abuse have been admitted to the Bar of Arkansas in the past. The mere revelation of treatment for mental or emotional infirmities, or substance or alcohol abuse, is not, in itself, a basis upon which an applicant is ordinarily denied admission. The questions below have been narrowly drawn to acquire information on the most serious instances of mental or emotional infirmity, or substance or alcohol abuse. Examples of such counseling include stress counseling, domestic counseling, grief counseling, and counseling for eating or sleeping disorders.
