New Docket Codes for Contexte and Electronic Filing - 2/10/14

The following are new Docket Codes for Contexte and Electronic Filing, effective Monday, February 10th:

- OR9C ? SCHEDULING ORDER

This is an alternative to using OR80 ? ORDER OTHER and putting the reason in Docket Text. For Electronic Filing users, there is a companion PROP_OR9C proposed order that may be submitted with a filing.

- CC15\$? CIRCUIT FOREIGN JDGMNT FILED \$

This is a new code for filing a Foreign Judgment with a filing fee. This will replace the practice of filing a NT40 docket for the Foreign Judgment and then filing a CC05\$ docket in conjunction to capture the filing fee.

- CC15 ? CIRCUIT FOREIGN JUDGMENT FILED

This is a new code for filing a Foreign Judgment without a filing fee.
