Rule 301. Presumptions In General In Civil Actions And Proceedings.

Rules text

- (a) Effect. In all actions and proceedings not otherwise provided for by statute or by these rules, a presumption imposes on the party against whom it is directed the burden of proving that the nonexistence of the presumed fact is more probable than its existence.
- (b) Inconsistent Presumptions. If presumptions are inconsistent, the presumption applies that is founded upon weightier considerations of policy. If considerations of policy are of equal weight neither presumption applies.
