Statement from Justice Robin F. Wynne on the Passing of Retired Chief Justice Jim Hannah

I am saddened to hear of the passing of Chief Justice Hannah. Jim was an integral part of the Arkansas judicial system and legal community for a long time. I had a great deal of respect for him as the Chief Justice of the Arkansas Supreme Court, and I appreciate his service as a member of the judiciary. Although he has passed on, his personal and professional legacies remain. I want to express my sincerest condolences to his family during this difficult time.
