## **PAYMENT PLANS MAY NOW BE MADE ONLINE IN MILLER COUNTY CIRCUIT COURT**

On June 1, the Miller County Circuit Court became the eighth court in the state to accept online scheduled plan payments online. The public may make scheduled plan payments online for circuit court payment plans by visiting Arkansas Online Court Payment at <http://pay.courts.arkansas.gov>. Defendants ordered to make scheduled plan payments will no longer have to mail checks to the court or visit the court. Instead, with the plan number and payor's last name, the public may make payments online through the eTraffic module on the website.

The Administrative Office of the Courts is working with the Information Network of Arkansas (INA) to process the payments through the state's payment portal. When you visit the site, choose the court where you have the payment plan; enter the plan number and your last name; and then enter your credit card information. INA assesses a \$2.30 base fee for payments up to \$50.00. Payments \$50 or more will be assessed an additional \$1.25 for each \$50.00 increment. The website accepts Visa, MasterCard and Discover.

Since its inception in 2002, the goal of the automation project is to provide statewide case management to all Arkansas courts. With the case management system in place, participating courts are able to provide complete, accurate and timely court information to the public and justice agencies. Now the courts can continue to improve public service by providing the option of online traffic ticket payment through Arkansas Online Court Payment at <http://pay.courts.arkansas.gov>. For more information on Contexte, the case management system, and CourtConnect, the public portal to case information, please visit: <https://courts.arkansas.gov/online-services>.
